

Stabil Zero

Data Sheet

Specification data

Appearance:	Clear colourless liquid with slight characteristic odour
Colour (Gardner)	2 max.
Pentylene glycol:	44.0-48.0%
Caprylyl glycol:	43.0-47.0%
Ethylhexylglycerin:	8.6-9.4%
Density (@20°C):	0.947-0.950 g/mL
Refractive index (@20°C):	1.4420-1.4460
Shelf life:	2 years in original packing

Other characteristics

Solubility:	very soluble in alcohol, glycerine and glycols, very slightly soluble in water
Storage:	store the tightly closed original container at temperature below 25°C, protected from direct sunlight and frost
Origin information:	contains no GMO, gluten and BSE/TSE risk material
